LUCE

L. R. FREDERICKS

**EVERYONE HAS
HEARD OF LUCE.**

A halo of white hair, a rakishly
tilted bowler hat. An album
that changed the world.

But that was just one of the
many faces of Luce.

Now it's time to find out who,
and what, Luce really is.

From psychedelic London to
the frozen wastes of the
Himalayas, from Paris to
Japan, the search for Luce
begins...
